

# Queens Clean Air Project cordially invites you to a special Earth Day event

## ***Clean Streets + Clean Air = Clean Communities***

Wednesday, April 19, 2006

1:00 p.m.

The Unisphere at Flushing Meadows-Corona Park  
Queens, New York

Hosted by the NYC Department of Parks & Recreation

### Featured Speakers

**The Honorable Helen Marshall**, *President, Borough of Queens*

**Donna Vizian**, *Assistant Regional Administrator, EPA Region II*

**John J. Doherty**, *Commissioner, NYC Department of Sanitation*

**Emily Lloyd**, *Commissioner, NYC Department of Environmental Protection*

**Adrian Benepe**, *Commissioner, NYC Department of Parks and Recreation*

**James F. Gennaro**, *NYC Councilmember (D-Fresh Meadows), Chair, Committee on Environmental Protection*

**Debbi Edelstein**, *Director, Clean Air Communities*

**Joseph Leary**, *Director, Public and Governmental Affairs, New York Power Authority*

**Jennifer Kain**, *Manager, Retrofit Sales and Marketing, Fleetguard Emission Solutions*

*Please join us in celebrating the completion of a successful clean air initiative with the NYC Department of Sanitation. We will unveil 3 of 65 refuse collection trucks newly outfitted with advanced pollution controls and will demonstrate the effectiveness of the technology in reducing harmful pollutants from diesel exhaust.*

*The Queens Clean Air Project is a \$2 million initiative, funded by the New York Power Authority (NYPA), to sponsor innovative community-based projects to improve air quality and public health in Queens. QCAP is a partnership of NYPA, Natural Resources Defense Council, Office of the President, Borough of Queens, New York Public Interest Research Group, and the Northeast States Center for a Clean Air Future.*
